Article title (first few words) and manuscript #

Corresponding Author: _____

Fax: _____

E-mail: _____ Publish E-mail (please circle)? YES NO

The Author of the Article as specified herein, hereby transfers copyright and assigns to the Society of General Internal Medicine (SGIM) all rights, title, and interest that the Author may have, or may at any time be found to have (for United States Government employees to the extent transferable) in and to the Article and any revisions or versions thereof, including, but not limited to, the sole right to print, publish, and sell the Article throughout the World in all languages and media.

This assignment shall be deemed in effect if and when the Article is accepted for publication.

Should the Article contain any material protected by the copyright of others, the Author will deliver to the SGIM written permission from the copyright owner to reproduce such material in the Article.

The Author represents and warrants that he/she is the author and proprietor of the Article, that he/she is the sole and exclusive owner of all rights

in multimedia material, that he/she has not granted or assigned any rights in the Article to any other person or entity, that the Article is copyrightable, that it does not infringe upon any copyright, trademark, or patent, that it does not invade the right of privacy or publicity of any person or entity, that it does not contain any libelous matter, that all statements asserted as facts are true or based upon reasonable research for accuracy and that, to the best of the Author's knowledge, no formula, procedure, or prescription contained in the Article would cause injury if used or followed in accordance with the instructions and/or warnings contained in the Article.

The Author will indemnify the SGIM against any costs, expenses, or damages that the SGIM may incur or for which the SGIM may become liable as a result of any breach of these warranties. These representations and warranties may be extended to third parties by the SGIM.

Does your article include material from other copyrighted sources?
Yes No ; If yes, please attach relevant permissions.

Does your article include illustrations in which a person can be recognized?
Yes No ; If yes, please attach relevant release.

Have you received funding from any agency that requires you to deposit a copy of your article in a public access database?
Yes No ; If yes, please see below: Disclosure Regarding Grant Funding.

AUTHORSHIP RESPONSIBILITY

I, the undersigned author, certify that I and all other co-authors have participated sufficiently in the intellectual content, the analysis of data, if applicable, and the writing of the above noted manuscript, to take public responsibility for it. I and each of the co-authors have reviewed the final version of the manuscript, believe it represents valid work, and approve it for publication. As the corresponding author of this article, I certify in the name of all of the co-authors that none of the

material in the manuscript has been previously published, is included in another manuscript, or is currently under consideration for publication elsewhere. I also certify that this article has not been accepted for publication elsewhere, nor have I assigned any right or interest in the manuscript to any third party. Moreover, should the editor of *Journal of General Internal Medicine* request the data upon which the manuscript is based, I shall produce it.

SIGNATURE (The author signs on behalf of any and all co-authors and accepts responsibility for releasing this material):

DISCLOSURE REGARDING GRANT FUNDING REQUIRING PUBLIC ACCESS

Some funding agencies (e.g., NIH) require final versions of manuscripts be posted in publicly accessible databases. On behalf of all authors and according to the agreement with SGIM, the copyright holder, Springer shall send the final, accepted version of every manuscript published in the *Journal of General Internal Medicine* to PubMed Central twelve months after publication of the article in the printed version. **If the final accepted version of the manuscript needs to be deposited into additional databases, it is the author(s) responsibility to do so.**

SIGNATURE (The author signs on behalf of any and all co-authors and accepts responsibility for depositing the final accepted manuscript into all additional databases as required by the agency or agencies funding this work):
